Clyve Jones, Jim Hunter : Brian Friel: Making History, Dancing at Lughnasa, Philadelphia Here I Come, and Translations (Faber Critical Guides) before purchasing it in order to gauge whether or not it would be worth my

time, and all praised Brian Friel: *Making History*, *Dancing at Lughnasa*, *Philadelphia Here I Come*, and *Translations* (Faber Critical Guides):

Since 1965, when *Philadelphia, Here I Come!* played on Broadway for an extended run, Brian Friel's work has been widely known in the United States as well as in Europe. For the Faber Critical Guide on Brian Friel, Nesta Jones examines both *Philadelphia* and *Lughnasa*, as well as two other Friel masterworks, *Making History* and *Translations*, and seeks not only to elucidate for both students and fans Friel's poetic language of theater but to place his work in the larger context of modern drama. (This title is part of the Faber Critical Guides series.)

About the Author Nesta Jones, author of *Brian Friel*, is the former Head of Drama at Goldsmiths College, University of London. She has published on J.M. Synge, Sean O'Casey, and David Mamet. She is currently project coordinator for Concepts (Consortium for the Co-ordination of European Performance and Theatre Studies), and Artistic Director of NXT. Jim Hunter, author of *Tom Stoppard*, is a lecturer at the Open University in England.
