Great addition to Seagram's first 2 books on "25 Conventions You Should Know" and "25 More Conventions"!0 of 0 people found the following review helpful. Five StarsBy Donna TurekHer books are great1 of 1 people found the following review helpful. Excellent bridge book about defenseBy Susan Sloan "Ohio"Excellent, well-organized book with good information about how to be a better defense player at the bridge table. Easy to read and follow her advice.

Defence is the hardest part of playing bridge, but that doesn't mean that it's impossible to learn. The authors explain how to make a plan as a defender: how to work out from the auction and play what declarer probably has, and which of the strategies available to defenders is likely to be successful.
