From Natl Book Network : Bridge Basics 1: An Introduction (The Official Better Bridge Series) Bridge Basics 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge Basics 1: An Introduction (The Official Better Bridge Series) Bridge Basics 1:

0 of 0 people found the following review helpful. Beginner bridgeBy tolly's momI had played Bridge 40 years ago....oh! but how Bridge has changed. So, I am committed to educate my self and learn some of the basic conventions and understand the basic bidding of what I consider the newer style of Bridge. This is a good starter book. It feels hard to me....but I am taking my time with some patient co-players. My feels brain feels challenged, which I think is a good thing. I think this is a good place to start if you are coming back to Bridge.0 of 0 people found the following review helpful. Four StarsBy jiminfloridaGood and easy to understand for beginning bridge players.0 of 0 people found the following review helpful. new approachBy George AubreyI grew up playing by Goren's methods, which are still the standard to which newer ways of palying are compared. Mrs Grant takes a new approach which I have found very helpful in assessing the value and bidding in Bridge. I have not discarded Goren's older methods, but have used them along with Mrs Grant's approach and found that I am playing better bridge. The book is thought provoking. It is suitable for experienced players looking for a fresh method, but would be wonderful for novice players to begin learning.

This book starts at the beginning, introducing the mechanics of the game through its history. It covers the

fundamentals of the three aspects of the game....bidding, play, and defense. The concepts and information presented are the most current and accurate available, developed with the assistance of the game's top champions. The material is presented in clear, well- organized format, moving smoothly from one topic to the next. Through this book you'll be taking the first steps into the magical world of bridge.
