**David Bird : Bridge Squeezes for Everyone: Yes, Even You** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge Squeezes for Everyone: Yes, Even You:

1 of 1 people found the following review helpful. I love David Bird's writing - clear with humor and asides ...By DVanI love David Bird's writing - clear with humor and asides that help make a very complex subject readable. The topic is apparently one of the most advanced in declarer play. I have (had to) read the first 3 chapters over and over before moving onand, being an intermediate advancing player, I am not sure I shall ever absorb even half of this book! Would that I could!0 of 0 people found the following review helpful. Mr. Bird may know how to execute squeezes, ...By Sterling P. DareMr. Bird may know how to execute squeezes, but his instructions are lacking. I was hoping for a

book that was easier than Clyde Love's classic, *Bridge Squeezes Complete*. This is a so-so book. Lots of examples, but short on instruction. 0 of 0 people found the following review helpful. Four Stars By Nadine Harris Certainly beats that incomprehensible old Clyde Love book. It's made it easier yo recognize squeeze situations. Competent.

Did you always think squeezes were too difficult? Or perhaps you know the basics but now you want to learn about more complex and advanced squeeze positions? If you fit either of these categories, or even if you just want to improve your understanding of an important aspect of declarer play, this book is for you. David Bird, who lives near Southampton, England, has written more than 100 books on the game. Despite spending much of the year travelling, he still finds time to write new stories every month for a host of magazines around the world, usually featuring his best-known characters, the monks of St. Titus Abbey. He is also a regular commentator on BBO broadcasts of top-level competitions.
