**David Bird, Marc Smith : Bridge Technique 11: Planning in Defense** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge Technique 11: Planning in Defense:

2 of 2 people found the following review helpful. Helpful Bridge BookBy kk123Provides incites into defense which are very helpful. Explained so you understand the full concept. Easy to grasp. Many exercises to help you.

Short and full of practical examples, each book in the 'Bridge Technique Series' takes the reader through the most important aspects of card-play technique at bridge. Where appropriate, play is examined from the point of view both of declarer and defenders. Full of quizzes and chapter reviews, these award-winning books will also reinforce the bridge concepts you learn. At this price, what bridge player could stand not to have all twelve?
