Freddie North : Bridge, the Vital Principles (Batsford Bridge) before purchasing it in order to gage whether or not

it would be worth my time, and all praised Bridge, the Vital Principles (Batsford Bridge):

Aimed at intermediate players, this guide explains common situations that may occur at the table. It covers various themes including unblocking, ruffing in dummy, cross-ruff and end-play, and contains a selection of fully-explained deals. A number of quizzes are provided to test the reader's skill.
