**Pietro Forquet, Ron Klinger : Bridge With The Blue Team (Master Bridge Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bridge With The Blue Team (Master Bridge Series):

1 of 1 people found the following review helpful. Bridge as an artform By michael bldel The Book was a present. I have it myself of course and have read it regularly. This is bridge as an artform, sublime technique, deep cardreading and thinking - memories of a bridge team to surpass anyone at any time. So nice to see that the book is still available. If you miss it, you have missed everything that has to do with bridge - but certainly not for beginners. 0 of 0 people found the following review helpful. one of the best bridge books ever! By XueMei This book takes you back to the era of most

exciting bridge competitions and lets you touch the best minds in bridge in the great Blue Team. I have a Chinese version but the English version reads much better (I guess the original Italian version should be the best). The sell was very fast to send the book and the book is in a good shape. Thanks! 1 of 1 people found the following review helpful. Bridge literature at it's best By Joakim Claesson One of the most inspiring books of bridge ever written. It could have been a Double Dummy schoolbook, but it is for real. If you like Advanced but quite understandable deals - buy it. Read it. Love it! I just bought my third copy. I think I have read them 50 times.../ Joakim, Sweden

BRIDGE WITH THE BLUE TEAM sets down the most outstanding hands played by the Blue Team, the astonishingly successful Italian team which achieved a record number of victories in world-class championships, a feat unlikely to be equalled. The 140 chosen hands are first set out in single dummy form so that the reader can make his own decisions about playing the hand before reading the analysis provided. Sections at the end of the book give a summary of the bidding systems. Pietro Forquet is recognised as one of the most celebrated bridge players of all time, and in this book he demonstrates he would rank similarly as a bridge writer.

A wonderful book with wonderful hands DAILY TELEGRAPH BRIDGE WITH THE BLUE TEAM is recognised as a bridge classic - not only because it sets down the most outstanding bridge hands played by the Italian Blue Team which dominated world-class bridge for over two decades, but also because its author, Pietro Forquet, one of the most celebrated players of all time, shows that he should rank similarly as a bridge writer BRIDGE PLUS Language Notes Text: English, Italian (translation) About the Author Pietro Forquet is an Italian bridge player, and has the reputation of being one of the most celebrated bridge players of all time, winning 15 World championship titles with the Italian Blue team. Ron Klinger is a leading international bridge teacher and has represented Australia in over 20 world championships since 1976. An Australian Grand Master and a World Bridge Federation International Master, he has written over 60 books, some of which have been translated into Bulgarian, Chinese, Danish, French, Hebrew and Icelandic. Two of his titles - Guide to Better Card Play and Right Through the Pack Again - won Book of the Year awards. He has created many new bridge ideas and devised a number of conventions. He lives in NSW, Australia, and has written a daily bridge column in The Sydney Morning Herald and The Sun-Herald for over 15 years.
