Norman Mjadwesch : Broken Castle before purchasing it in order to gage whether or not it would be worth my time, and all praised Broken Castle:

0 of 0 people found the following review helpful. A unique gift and resource for cricket nutsBy Mr Matthew ThomasThis is a book that makes it possible to play virtual cricket matches, based on extensive player statistics. The book explains everything clearly, including how to play. Having all these side and player statistics in one place is an amazing resource in itself and makes it possible to play matches between teams from different eras. The amount of time and effort invested in creating this work is truly impressive. It could easily provide hundreds of hours of fun for those who love the history of cricket, players, sides and matches. No other system that I've seen comes close to the level of detail in this book. Thoroughly recommended for cricket nuts!0 of 0 people found the following review helpful. Would McGrath have got Bradman?By Colin CafferkyThis is a terrific idea and the result of a lot of hard work by Norm.It enables readers to compare players of different eras and to pit them against each other in a most enjoyable game.Cricket fans everywhere are sure to get hours of fun from playing - only two dice and paper and pen are needed.I found that Norm the author is available and approachable if you have any questions and we even played a

game in which Pigeon knocked over the Don for a duck! Col Cafferky

Cricket as you have never seen it before! Using a unique set of rules and detailed analysis of player career stats, armed with two dice and a scorecard, you will gain extraordinary insights into the why and how of the gentleman's game when you read Broken Castle. Covering International matches from the time of WG Grace and Victor Trumper until the present day, this book allows you to reconstruct series with the players of your choice. Major Test teams such as Bradman's Invincibles or the Windies of the 1980s are all included, but so are the minnows. Crush Kenya like a bug in a limited-overs game! If the history of cricket is your passion, you cannot afford not to have Broken Castle!

About the Author Samantha Wilson lives in Tel Aviv and has fully explored both Israel and the neighboring countries. She writes for a variety of publications including a current affairs magazine.
