Since 1969, Hastings Avon Collectors Encyclopedia has been the official and only complete price guide to buying, selling, or collecting Avon or California Perfume Company products. In this new, completely revised 16th edition, there are over 200 categories. The informative text includes what's hot and what's not in Avon collecting, the history of the California Perfume Co., and information on where to buy and sell these popular collectibles. It's still the #1 choice for Avon collectors as well as Avon representatives, selling hundreds of thousands of copies over the years!
