Buddha cardsBy J. M. MonteithI am really enjoying these cards. I use one every day and it is informative as well as a meditation for the day. I would highly recommend these cards and actually anything by Osho. That man ROCKS!! (Even though he is no longer in body!)

We all carry within ourselves the potential to become a Buddha in our own right. This beautiful package, featuring 53 spectacular cards, mind-expanding sutras, and an accompanying guide are the keys to unlocking that power. They aid the process of awakening, of giving meaning and significance to our lives. Each gorgeous card features a photograph of a Buddha statue, a short quotation from the book known as the Dhammapada, and commentary on the sutra. Choose a card at the beginning of each week, and keep it with you always to refer to during the day to absorb its lessons. First, enjoy the words as poetry and allow them to evoke an intuitive, emotional response; with the help of the corresponding section in the book, the meaning will sink in. The enlightening sutras include: He Watches, He Is Clear; How Can You Quarrel?; Only Love Dispels Hate; Beyond Judgments; Neither Praise Nor Blame; Conquer Yourself; Beyond Sorrow; Awake Forever; and The Shining Way.
