Jamie Morgan, Lorenz Mitzi : Buffalo: Ray Petri before purchasing it in order to gauge whether or not it would be worth my time, and all praised Buffalo: Ray Petri:

This is the story of the legendary Ray Petri and his gang Buffalo, who started a revolution in the 1980s in the world of fashion and style. Starting from the street and bringing together all their different influences, backgrounds and individual talents, mixing them with music and photography, Buffalo was born, and soon in demand by high fashion establishments around the world.
