Drawing on avant garde and classical Japanese dance traditions, the Alishina Method offers a systematized approach to Butoh dance training for the first time in its history. With practical instruction and fully illustrated exercises, this book teaches readers: basic body training and expression exercises to cultivate Qi (energy) and to aid improvisation about katas (forms) and how to develop your own the importance of voice, sound and music in Butoh to collaborate and be in harmony with others techniques to manipulate time and space how to develop the imagination and refine the senses to enrich performance.
