By Florida Shopper This entire book was already published by this company as a spiral-bound book with the title, "Fabulous Crossword Collection"! By the third puzzle I realized that it was starting to feel familiar, so I checked it against Fabulous Crossword Collection, which I hadn't

finished yet. The puzzles are even in the same order! This is the exact same book, just shrunk down to 2pt type and bound like a paperback. I won't be buying any more publications from Parragon. 1 of 1 people found the following review helpful. Just tossed it in the garbage when I received it. By ketheo So tiny I can't even read it. Just tossed it in the garbage when I received it. It's 6" x 4" only!
