The author also says all this useless information and hard to find basic rules of the game. Very disappointed.1 of 1 people found the following review helpful. Fun games with the boys!By JustinMy friends and I all enjoy playing cards whenever we get the chance to meet. We don't gamble nor do

we get the chance to meet up to play often but when we do it's usually a fun night. I got this book to see what other games we can play. Kurt has written an amazing book and I found new ideas that I think would make boys night out even more fun! 1 of 1 people found the following review helpful. A waste of money!!! By Customer This is a pamphlet just written in large print and double spaced to make it fit into a book. 8 games... all pretty basic. A waste of money. Do an online search and print off instructions, cheaper and more detailed than this 'book'.
