info is very relevant and very timeless. You will NOT go wrong with this book...6 of 10 people found the following review helpful. Excellent book! Might consider a revision...By A CustomerThis is an excellent collection of card sleights and a few tricks. My only complaint is that some of its methods require every ounce of your attention to comprehend them. Not real clear in some areas but other than that it is excellent!

To the magician and to most audiences, card manipulations are the most fascinating type of card trick. Since the manipulator's skill is the only determining factor, once a degree of card dexterity is acquired the performer can go on to learn tricks sure to entertain, at any time, with no further preparation, using any available deck of cards for the performance.
