By Chris  
This guide is a very straight forward walk-through of the game with no frills or extras which is of little help because the game is already quite linear. The back of the guide lists the achievements / trophies but does not give tips or advice on how to get them. There are quite a few grammatical and other copy errors that should have been corrected before being printed. This will create a headache for people aiming to get all the gems and power ups. It does not break down where to find the secrets as well as a guide should and rarely shows enough pictures to help you find them visually. Even at a low price point the guide falls short of the Lords of Shadow Walk Through on IGN's website which is far better and free. If you have a laptop, iPad or computer handy while playing this game you'd be better served following the online guide. I would not recommend this to others as it is not very helpful and adds very little value to your game play experience. I am

disappointed in the quality of the guide but I feel that most printed guides from Brady Games have taken a dive in quality and completeness in recent years.0 of 0 people found the following review helpful. Lovin' it!! Book shipped in so fast within a week!!By Danny OcchipintiI am very pleased with this item as I showed it to everybody, and they liked it too. I thought that the only one to buy was the new one with reversed pages, but then this one, and others popped up to buy (sold ones). The seller was very smooth, and fast how he shipped it. I'm looking forward to buying more strategy guides in the future as I have 2 in mind right now. Thank you!!1 of 1 people found the following review helpful. EXCELLENT STRATEGY GUIDE FOR AN EXCELLENT GAME!!!By adameeI didnt expect much from this guide just like i didnt expect much from the game but boy was i wrong about both!!! this guide covers everything you could hope for! of course theres the walkthrough,which is great,but i was impressed with the trials coverage. i was not disappointed by this guide at all. GREAT GUIDE!!!
