Ed Scimia : Catching Fish: Your Practical Guide TO Beating \$1/\$2 No-Limit Texas Hold'em Games before purchasing it in order to gauge whether or not it would be worth my time, and all praised Catching Fish: Your Practical Guide TO Beating \$1/\$2 No-Limit Texas Hold'em Games:

0 of 0 people found the following review helpful. Biggest bang per page for your pokerbucks ever! By Riccardo You would be right to be skeptical of these under-100 page self-published pamphlets but Catching Fish is the exception; in

64 pages there's more detailed instruction on modern low-limit no-limit hold'em theory and practice than in many books three times as big. I frankly don't know where some of the other critics here are coming from (actually I do; they're young online players who haven't read any other poker books, maybe haven't read any other books period, and don't have a realistic clue about what to expect from a book on subject). I'm impressed with the amount of detail clearly presented in such a short work and if you could only have one battle manual in your backpack this would be the one...0 of 0 people found the following review helpful.
