My gosh, I had no idea there are so many different types of this popular collectible. I especially like the holiday ones for Halloween and Christmas, although the heroes section is pretty good too. A really fun little book that brings you right back to a sweet part of childhood.3 of 9 people found the following review helpful. Interesting ReadBy JoeyI say this is quite a interesting little book.The PEZ pictures in this book was the reason I brought the book.It is very colourful, good photographs and the layout is well designed.

"Want one? Thats the anthem of the Pez world. No one can hold onto that little giraffe, Winnie the Pooh, or cowboy candy dispenser without tipping back the head and pushing the candy forward. So children of all ages who have ever popped a Pez will joyfully pore over this fascinating gem. It contains pictures of many of the imaginative, collectible, and valuable dispensers created over the past 50 years. More than 250 full-color photographs showcase the big cast of characters: Theyre glowing with color and include animals, ghosts, witches, superheroes, clowns, and brides and grooms, as well as famous icons, such as Mickey Mouse and Tweety Bird. An introduction tells the fun, sweet story of

the company, its candies, and its designs.
