Synopsis: During World War II a select number of female pilots were selected to serve as WASPs, Women Air

Service Pilots. They were not embraced by their male counterparts and struggled for acceptance daily. After the war, four WASPs meet to reminisce about their challenges and successes. The conversation soon shifts to a redacted report about a fellow pilot who was killed while trying to land her aircraft. What really happened? Someone knows the truth. Censored on Final Approach journeys into a time and place often left out of the history books. Cast Size: 4 Males, 5 Females A beautifully rendered, character-driven drama, Censored on Final Approach is ideal for any theatre company looking to produce ensemble work. With an assortment of well-crafted, complex roles for women, this fascinating, historical drama should be a must-produce for any college theatre program.
