praised Chambers Crossword Dictionary: New Edition: Over 500,000 Solutions for Every Kind of Crossword:

0 of 0 people found the following review helpful. UselessBy JJThe title of this book is a mis-nomer. I needed an accompaniment to my Chambers Dictionary in order to attempt the completion of the FT Polymath every Saturday and expected this to be ideal. Suffice it to say that it is almost un-intelligible in its present format since it provides locations without reference to meaning.JJ1 of 2 people found the following review helpful. No Index Item SearchBy Chester WoodWhen using a crossword dictionary on the Kindle you expect to be able to select Search, input the search word, and press return to get the dictionary entry. This works perfectly for Collins Bradford's Crossword Solver or any of the standard Kindle dictionaries. When I try to do this for Chambers Crossword Dictionary it produces every occurrence of the word throughout the whole book from Introduction to the end as if it was a novel. In the drop-down menu to the left of the Search window there is no option called Index Items like there is for other dictionaries and I think that is the problem. If we cannot do an Index Item search then this dictionary is too cumbersome to use. Also, it is not automatically loaded into the Dictionary folder like all the other dictionaries - why? I have deleted and re-downloaded, I have restarted the Kindle - all to no avail.Unless this issue is resolved I can only give one star and will be asking for a refund. Buyer beware!0 of 0 people found the following review helpful. Four StarsBy Lillian J. MooreWorks great

The bestselling Chambers Crossword Dictionary is the essential reference for crossword lovers everywhere. This brand new edition, compiled from Chambers' highly acclaimed and vast crossword resources, has been fully updated with thousands of new solutions to be even more useful to crossword fans. New synonyms for publication such as "podcast" and "blog" bring the content bang up-to-the-minute. New topic lists such as "curries" and "geese" help solve general knowledge clues. All words are grouped by meaning, then by number of characters, then alphabetically, to make finding the solution quick and easy. Special cryptic crossword words which indicate anagrams, reversals, etc. give hints and tips for solvers.

About the AuthorMeticulously researched and expertly written, the highly acclaimed Chambers range has been at the forefront of presenting knowledge and learning in an engaging and accessible way since it was first established in the 19th century.
