Don Manley : Chambers Crossword Manual before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chambers Crossword Manual:

0 of 0 people found the following review helpful. Cryptic crossword review By Peta Welch The book was very good and explained the intricacies of cryptic crosswords very well. Unfortunately I wasn't the best pupil and it's taking some time for it to settle in my brain. But I will keep trying and I'm sure with the books help I will eventually become an ace

cryptic crossword solver. Def worth buying 6 of 6 people found the following review helpful. The Essential Guide to Crossword Puzzles By A Customer Everything you ever wanted to know about crossword puzzles in a single handbook. Don Manley covers the history of the puzzle and gives a detailed explanation of the different sorts of cryptic clue. Advice for the solver with examples and explanations is followed by suggestions for the budding composer. Not only this, but the book contains over a hundred puzzles, ranging from the fairly easy to the virtually impossible. This book is ideal for the crossword lover, whether a beginner or a master.
