Three world champions show how to play and win at seven-card high, stud 8-or-better and razz. In this new, revised edition, three experts in seven-card stud show readers how to play and win at all three types of stud poker. In addition to cash-game advice, the authors reveal the winning strategies for stud poker tournaments. Authors provide multiple points of view on how to win at even-card stud, including the best starting hands, reading the board, bluffing, semi-bluffing, profitable play on every street, and much more!
