Book.I did give this as a gift to my daughter ~ a little tired on the jacket cover ~ But giftable.

Chanel is a fashion word that everyone knows: the epitome of taste, glamour and style. Founded in the '20s by the legendary Coco Chanel, the House of Chanel continues to fuel fashion to this day. This book illustrates in colour the trademarks of Chanel style - the little black dress, the instantly recognizable Chanel suit, the glittering costume jewelry - and explores the outstanding career of the woman who credited her success to "having been in the right place at the right time".
