love how is made for beginners, so it's pretty explanatory. Great for beginners.0 of 0 people found the following review helpful. Chess!!!By Rein WhiteThis book serves as a starter guide to learn chess more. It provides good set of information, from the basic to advance level that will actually help the reader to master chess easily. Tips on how to easily check your opponent were also given in here. What I like about this book is the author's way of writing it because it was simple and easy to understand. I got very curious about it since last year but I was not able to learn it since I have a very busy schedule at work. I can say that this one helped me a lot.0 of 0 people found the following review helpful. InformativeBy Stella MillGlad to have this book. It is a great book on chess strategies.
