Igor Khmelnsky : Chess Exam and Training Guide: Tactics: Rate Yourself and Learn How to Improve (Chess Exams) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chess Exam and Training Guide: Tactics: Rate Yourself and Learn How to Improve (Chess Exams):

The original best-selling Chess Exam and Training Guide (IamCoach Press, 2004) scored rave reviews from readers and experts alike. It won the very prestigious Cramer Best Book award from the CJA (Chess Journalists of America) and has been translated into French and Russian. In this sequel, the focus is exclusively on Tactics. Whether you are a beginner or a seasoned master, this book will help you to evaluate your current level, identify your weaknesses, and get training advice. You will discover: 60 diagrams with 120 multiple-choice questions of varied complexity. Comprehensive answers with diagrams to make reviewing easier. Distributions of answers and other statistical reports by rating. Results are evaluated and ratings are assigned Overall and by 29(!) distinct sub-categories. Comprehensive reports on each of the categories with examples, training recommendations and training material suggestions. How do you improve your Tactical ability? The best way is by improving your understanding of tactical ideas and solving tactical positions.
