Richard James : Chess for Kids: How to Play and Win before purchasing it in order to gage whether or not it would be worth my time, and all praised Chess for Kids: How to Play and Win:

0 of 0 people found the following review helpful. great price, great bookBy Fitrigreat price, great book , book coming in a very good condition ... never regret to order this book from this seller.. Thank you0 of 0 people found the following review helpful. Great for KidsBy IndianaM1keMy son loves this book, and it has helped him improve his chess playing for his school club. Highly recommend this and some computer chess board (hand's on) for kids of all

ages to learn the game!0 of 0 people found the following review helpful. bought for daughterBy Jason L. WrightI bought this for my 7 year-old who thoroughly enjoyed it. Her game is improving as a result of her reading and she has the game vocabulary down.

Written as a storyfeaturing seven-year-old twins Alice and Sam and their quest to stop an impending alien invasionChess for Kids will teach your child how to play chess in thirty short, fun lessons. Chess for Kids describes each piece, simply and clearly explaining what moves each one can make and how best to utilize them on the board. Here are the concepts of check, checkmate, and stalemate and basic chess strategy and thinking skills. Peppared with quizzes and puzzles to reinforce what your child has learned, Chess for Kids is the perfect book for any child who wishes to learn this ancient and always popular game.

About the AuthorRichard James has been teaching chess to children since the early 1970s and has an international reputation as the expert on how young children learn chess. He runs chessKIDS.com, which pioneered online interactive chess instructions for young children. He lives in England.
