**Neil McDonald : Chess Secrets: The Giants of Power Play** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chess Secrets: The Giants of Power Play:

0 of 0 people found the following review helpful. Five Stars By Robert D. Great game collection! 11 of 15 people found the following review helpful. Must read By madtactics Neil McDonald is write up there with Jeremy Silman in terms of his ability to educate amateurs without confusing them with tons of ridiculous variations.... The book is clear and concise. Excellent idea for a book and excellent execution! 1 of 4 people found the following review helpful. Great tips By Brad Ashlock Simply amazing! Packed with knowledge and tips. Great games.

Chess Secrets is a series of books which uncover the mysteries of the most important aspects of chess: strategy, attack, opening play and gambits, classical play, endgames and preparation. In each book the author studies a number of great players from chess history who have excelled in a particular field of the game and who have undeniably influenced those who have followed. In *The Giants of Power Play*, Neil McDonald selects five players who have excelled in the field of power play' the art of putting opponents under constant pressure. The methods of doing so are numerous, including gaining rapid development in return for material to build up an initiative, preparing powerful opening ideas in advance, or even developing completely new opening systems. McDonald examines the contributions made by each player, their differences in approach and style, and from Morphy to Topalov, how they followed in each other's footsteps. A study of this book will help you to enhance your skills in one of the most crucial elements of the game. \*An entertaining and instructive guide to power play\* Learn from the greats of the game\* Discover how famous chess minds work

Its a book rich in insights, and a book whose annotations consistently achieve the difficult making the ideas and struggle of a game comprehensible and exciting.- David Kaufman reviewing Neil McDonalds *Chess Secrets: The Giants of Strategy* for ChessCafe.com.
