**Susan Polgar, Paul Truong : Chess Tactics for Champions: A step-by-step guide to using tactics and combinations the Polgar way** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chess Tactics for Champions: A step-by-step guide to using tactics and combinations the Polgar way:

1 of 1 people found the following review helpful. this is an interesting book that is used for beginning ...By Cuuthis is an interesting book that is used for beginning and intermediate player. Also players will improve tactics while playing against The players can study without coach.1 of 1 people found the following review helpful. Excellent for improving tactical awareness for up to mid range playersBy Daniel C. ConveI recommend this book to my students who are in the 1000-1500 range. The puzzles are not too tough, but they are certainly difficult enough to challenge people in that rating range. I also ask my students to go through the entire book several times. Each time through they start recognizing new patterns, and I notice much improved use of tactics in their games.0 of 0 people found the following review helpful. Liked it so much I bought 3 moreBy CustomerLiked it so much I bought 3 more! Good intro to chess tactics. Puzzles not too difficult for moderately advanced beginners.

Susan Polgar became the first female Grandmaster at age 15 and it wasn't luck that got her there. Her use of tactics, combinations, and strategy during her games gave her the critical advantage she needed against her opponents. In Chess Tactics for Champions, Polgar gives insight into the kind of thinking that chess champions rely on while playing the game, specifically the ability to recognize patterns and combinations. With coauthor Paul Truong, Susan Polgar teaches the tactics she learned from her father, Laszlo Polgar, one of the world's best chess coaches. Teaches players how to calculate the effect of a move in order to gain an edge over an opponent For intermediate to advanced chess players of all ages

About the AuthorSusan Polgar was a gold medalist at the 2004 Chess Olympiad. She is the current World Champion in Women's Chess and the top ranked female chess player in the United States. Paul Truong is an eleven-time National Champion and was the captain and business manager of the 2004 U.S. Women's Olympiad Team.
