whether or not it would be worth my time, and all praised Chess: The Ultimate Chess Playing Guide: The Best Openings, Closings, Strategies Learn To Play Like A Pro (Chess, Chess For Beginners, Chess Strategies) (Volume 1):

0 of 0 people found the following review helpful. Not that greatBy Thomas ZurekI was hoping for a more in depth guide from something called the ultimate chess playing guide. It didn't even mention anything about pawn storming, head duos or head trios, or the like. It was too basic for me but will probably be a little helpful for someone new to chess and strategies.0 of 0 people found the following review helpful. Five StarsBy EUGENE SIMMONSSatisfied with purchase0 of 2 people found the following review helpful. Maybe not the ultimate guide...but, brilliant none the less!By Ethan SimontonI always had thought that Chess was a complicated game until I read this book. This short and sweet guide layouts all the basics of Chess. What I found most interesting was the brief history that was given about chess. I had no idea that the game had originated in India. This may not be the ultimate guide to chess as it is only 38 pages long, but it certainly is a great beginner guide. I hope the author follows up with a more advanced guide.

Playing Chess Like The Pros Do Done Easy Have you ever been interested in playing chess? Do you want to learn techniques that can help you win future chess games?
