Also, I prefer an omnibus because it has a lot of puzzles contained in its pages. I use a box knife to these books and cut off the binding. This frees up all the pages, and I put individual puzzles on a clipboard in order to solve them. This works very well and I have used it on other crossword puzzle books from other sources. 1 of 1 people found the following review helpful. AWESOME PUZZLES By Customer LOVE THESE CROSSWORD PUZZLES!
