I always have one with me when I travel as it makes waiting at airports bearable The prices for new ones have been very reasonable and cheaper, even with postage than buying them in book stores. One problem I noticed when looking for more today, is that the prices seem to be either way out of range or errors. Don't think I will order any more until the price are lowered. has made ordering easy and quick and I will wait for new pricing. 9 of 10 people found the following review helpful. More doable than the NYTimes puzzles, but not easy By amelia I'm a little obsessed with crossword puzzles, and this series of Sunday tribune puzzles is excellent, I have found, for my skill level. I don't finish very many of them, but I feel like I COULD do it, if I really tried. Ha. That's probably the way it's supposed to be, I suspect. When I try to do the NYTimes Sunday

puzzles, I don't feel like there's much hope for me. The Tribune puzzles feel modern, but not as hip as the Boston Globe puzzles. I like this. I wait for "them" to put out a new volume, and I pace myself, interspersing LA Times puzzles in between these. I'm a fairly smart person, with an honors degree in literature, but I'm not clever enough, I fear, for the NYTimes puzzles. I wish I were, because I love the paper. Maybe I can sneak these Tribune volumes (that are nicely spiral bound) in between the pages of the Times? 0 of 0 people found the following review helpful. A fun ride! By PJBradford I just finished this crossword book and it was a fun ride! Difficult, but not frustrating...just right! I'm so glad I have volume 3 waiting and ready to go! I wish there had been 100 puzzles instead of just 50 in the book. I was glad I worked these in pencil. Got my goat several times. Order the book and enjoy!
