Bringing much enjoyment !By elizabeth hammondI bought this after our paper announced Wayne Robert Williams would not be able to submit his daily crossword puzzles (this book is edited by him)I am enjoying these puzzles so much. Challenging but not so difficult that I cant do. someone commented in a prior review that the paper is too thin. It's heavier than a newspaper and i have no issues with it.0 of 0 people found the following review helpful. Quality Puzzles need Quality Paper!By peggyThese puzzles are entertaining but I have to comment on the quality of the paper they are printed on. This is the thinnest paper I have ever seen in a book of any kind. Tearing out the spiral bound pages makes the biggest mess and you can see right through it. This is not what you would expect from a company like Random House.0 of 0 people found the following

By pamelal searched for large print and this came up. It was described as large print. However upon receipt, it was not. Bought it for a friend. Pretty disappointed
