It is also an excellent way to learn children's authors. I used this game with a scholars bowl team when I was working. They students seemed to enjoy it and learned their authors quite easily. 0 of 0 people found the following review helpful. OK game. By Philip D. McGaughey Got these for our grandchildren. They thought they were OK. 2 of 2 people found the following review helpful. It's a great idea, but it's not well carried out By Harriet The print for this product is too small and the card faces too cluttered for my grandkids to read. It's a great idea, but it's not well carried out.

Features 13 writers who have touched children's imaginations through their delightful books. 54 cards included. Cards measure 2-1/4" x 3-1/2".
