Beautiful BookBy Christine DoranTThis is a gift for someone, and Although I did not read it, I did look thru the pages, and I think it is a lovely book. If you are interested in the Victorian Era, this is a wonderful book filled with beautiful photos from days gone by... I think you will be pleased with your purchase. Only Wish more of the photographs could have been in color though.1 of 1 people found the following review helpful. Beautiful!By Janet L.
