Wang Yie : Chinese Daoist Arts before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Daoist Arts:

Among the five major existing religions, Daoism is the only original one and is has kept a widespread and far-reaching influence upon the Chinese society. Daoist arts have always occupied an important position in the art circle of China. This book, mainly photos illustrated by texts, gives a comprehensive introduction to the history, development and current situation of Daoist arts in China, hoping foreign readers come to understand traditional Chinese religionDaoism, and appreciate traditional Chinese Daoist arts.
