**Jui Guoliang, Stuart R. Kaplan : Chinese Tarot Deck** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Tarot Deck:

3 of 3 people found the following review helpful. BeautifulBy MGOne of the most beautiful Tarot decks I have ever seen. The visuals portray their own unique message and much is based on Chinese culture and heritage (a lot of flowers, trees, elders, and weapons). What I noticed is that the booklet, though gives cultural meanings for its trumps, does force the cards into the Rider-Waite message system which doesn't work for this deck. The backs of the cards are a beautiful red and gold. The cards are slippery. I gave it 5 stars to validate the artist and his awesome artwork. A truly unique card in this deck is Major XII Hanging Ghost comparable to Waite's XII Hanged Man. Also of note is Major V Heavenly Master1 of 1 people found the following review helpful.
