I found mine to be good quality. I saw these for sale on Modcloth By Katlyn Davis These cards are gorgeous! I found mine to be good quality. I saw these for sale on Modcloth, but sadly didn't buy them before they sold out so I purchased them here. I love playing gin, so that's what I'll mainly be using mine for. It's nice to have decks of my own, that also show my personality through quirky yet gorgeous artwork. Fresh out of the box, the cards do stick together but with use I'm sure they'll be better. They're 2 decks, and each card is a different design, though I think the second deck has the same prints. Love them!
