John Faber : Chuckles and Challenges before purchasing it in order to gage whether or not it would be worth my time, and all praised Chuckles and Challenges:

This is just the right book to turn a tedious trip or lazy afternoon into a pleasant interlude. Inside you'll find humorous limericks, cryptic crosswords, entertaining short stories and challenging anagrams. The content provides hours of

gentle and light-hearted entertainment for you and/or friends to enjoy at home, while convalescent, traveling, or on vacation. And just in case solutions are provided!

About the AuthorOriginally from Scotland, this prize winning author of limericks began composing them while walking to work in Calgary, Alberta. On entering a limerick competition he was much surprised to be declared grand prize winner of a Plymouth Barracuda car. Subsequently he wrote limericks and short stories for publication and won other prizes. His enjoyment of a good tale and gentle challenge inspired the material for this fun book.
