BurnhamThese are devilishly hard to complete. The differences start off easy but drive you nuts in the end!0 of 0 people found the following review helpful. Great fun.By Joan HayGreat fun and the pictures of the cities of the world keep it interesting.

Take a look a close look at the worlds most beautiful cityscapes, from Mumbai to Manhattan, and everywhere in between. Cities of the World: Extreme Spot the Difference features 42 stunning images of these metropolitan wonders. Designed to challenge experienced spot-the-difference puzzlers, these seemingly identical side-by-side photos each contain nearly 100 incongruities. From an obvious firework added to one skyline to a tricky-to-spot now-you-see-it-now-you-dont bridge in the mid-ground of Manhattan, each find brings the puzzle closer to completion.The perfect

mental challenge to keep brain synapses firing, *Cities of the World: Extreme Spot the Difference* even includes a unique and reusable spotters grid that lies over the pages and can be written on and erased, keeping the beautiful images pristine and ready to be used time and time again.
