I love the quotes--many quite clever--from the experts, and some accidental ones overheard at the table. You will recognize some of those,I think. Lists, trivia, a little history, and other entertaining tidbits to enjoy..Learn from the mistakes of others. You won't live long enough to make them all yourself. --Alfred Sheinwold0 of 0 people found the following review helpful. bridge quotesBy N. SimI do a personal newsletter and put a bridge column in it. I love the short one liners from this book. They stick with you! My bridge friends like to comment of the column.
