**Michael Karl Witzel, Tim Steil : Classic Roadside Americana** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Roadside Americana:

2 of 2 people found the following review helpful. More of the same By RobinCrestline (part of transport publishers MBI) have combined two books in one for this 'Classic roadside Americana'. The two are Witzel's 'Drive-in restaurant' published in 2002 and Tim Steil's 'Route 66' from 2000. Michael Witzel has been turning out roadside Americana books for years, essentially reforming similar words and images to suit any title. Steil's pages on the Mother Road also tread the same format as many others about Route 66. The fact that you can pick up this title very cheaply is enough of an indication to me that the contents are the usual photos and text, which, of course, they are. There is nothing new here and much better books cover the two subjects. John Margolies: Roadside America is a huge photo book and Nick Freeth edited, I think, the best 66 book Traveling Route 66: 2,250 Miles of Motoring History from Chicago to L.A. \*\*\*SEE SOME INSIDE PAGES by clicking 'customer images' under the cover.

Revisit the roadside glory of a bygone era filled with custom cars, neon-trimmed motels and quaint restaurants. Relive the reign of the drive-in restaurant, a true American icon. Then cruise down Route 66 which, even years after its decommissioning, stays alive with a variety of unique attractions. Stocked with memorabilia, full-color photography and cultural history, Classic Roadside Americana is sure to take you for a trip down memory lane. It combines

Michael Karl Witzel's Drive-In Deluxe (ISBN 0760302111) and Tim Steil's Route 66 (ISBN 0760307474) into one value-priced hardcover book.

About the Author Mike Witzel is the award-winning author of more than two dozen books, including the MBI bestsellers Route 66 Remembered, The American Gas Station, The American Diner, and, most recently, Legendary Route 66. He has appeared on Discovery Channels Worlds Top Ten Fast Food Restaurants and Tailfins and Drive-ins; Food Networks Unwrapped: Drive-In Restaurants; and History Channels American Eats: History on a Bun.
