Vicki Cameron : Clue Mysteries: 15 Whodunits To Solve In Minutes before purchasing it in order to gage whether or not it would be worth my time, and all praised Clue Mysteries: 15 Whodunits To Solve In Minutes:

0 of 0 people found the following review helpful. Five StarsBy april sextongreat0 of 0 people found the following review helpful. Five StarsBy Karen E.good book for kids. thanks0 of 0 people found the following review helpful. Good ReadBy Aaron LanglaisI must say that it's interesting that out of all six suspects Professor Plum is guilty the

least amount of times. between both books he is only the killer in five stories 3 in this one and only 2 in the sequel. However Ms. Cameron compensates by using Plum's typically rotten luck for comic relief in almost every story he is: 1. Bullied another suspect. 2. Taken advantage of because of his naivete. 3. Doing something nice for another character only for it to backfire. 4: Insulted by either Mrs. White or Miss Scarlet. 5. Getting into feuds with unruly pets. 6. Unwittingly allowing Mrs. Peacock to attempt to set him up with Miss Scarlet.

Once readers develop a taste for our thrilling little mystery stories, they just want more and more! Based on the grand success of our Five-Minute Mysteries series, this collection features fifteen light and lively tales, each of which can be solved in ten minutes or less. Set in the fictional Tudor Hall in 1926 and starring familiar characters from the classic 1949 board game, these stories give readers an opportunity to sleuth out the culprit among Colonel Mustard, Professor Plum, Mrs. Patricia Peacock, and the others in all manner of fun-to-solve intrigues.

About the Author Vicki Cameron is a member of the Mystery Writers of America and Crime Writers of Canada and has been nominated for prestigious Edgar and Arthur Ellis Awards by these groups, respectively. She is also a member of Sisters in Crime, and Capital Crime Writers. She lives in Ontario, Canada.
