What makes B.J. Summers Pocket Guide to Coca-Cola so great? The author is a collector, and prices aren't set, but merely reported and keyed as to their origin. The book is laid out from a collector's viewpoint, making it easy to use. Its size makes it the perfect take-along reference for shows and weekend trips. And its quality color photos will delight and dazzle even the most advanced collector. This fifth edition is a must-have for any collector of Coca-Cola. History does repeat itself, and we're sure that, as it was in the past, this book will be a hit with collectors. Another bestseller from Collector Books and B.J. Summers, this book is essential for beginners as well as advanced collectors.
