This has to be one of my FAVORITE coke calendars. I love that it's not your typical Coca-Cola calendar. I do miss the linen paper. This is regular calendar paper. The art is great -mostly grey with the pops of color. And I like the chevron lines between the weeks in the months. Great large calendar (24" tall x 12" wide) when open. 0 of 0 people found the following review helpful. Excellent quality easy to read By Steph The quality of the pictures and paper is excellent. It's easy to see the dates from a distance which comes in handy sometimes, and there's plenty of space for each date to write what you need to write. I love it! 0 of 0 people found the following review helpful. Coke memorabilia kitchen goes w/calendar By Stacey Joseph Have been using Coke calendars for over 10 years in my kitchen. I have various Coke memorabilia in my kitchen and the calendars are always an extra and welcome touch.

Featuring classic ad imagery from the Coca-Cola brand. Features a full-sized planning grid. Printed on a glossy paper stock suitable for pen and pencil note taking. This calendar is 12" wide x 12" tall when closed and 12" wide x 24" tall

when open.
