By A Customer Bill has been very helpful to me in regards to Simpson's information and when I found out he was writing a Simpsons Collecting book I was very excited and bought it immediately. I have to say I WAS NOT Disappointed! Bill has thoughtfully and carefully put together a MUST HAVE for every Simpson's Collector! The information, pictures, and layout are wonderful and if it's Simpsons, this book covers it! From good to bad, cheap to expensive, easy to find

to hard to find, you can find information on your favorite Simpsons collectable. Full of pictures and information this is by far the best Simpsons information in a book I've ever found!4 of 4 people found the following review helpful. NO Simpsons fan should be without this book!By MGoldieWhat can I say? This book is excellent! Just when I thought I had seen every item made regarding the Simpsons, turn the page, and there is something new! The book is highly organized, fun to explore, and will be a valuable resource for a long time to come. I really enjoy how the book is set up in two sections. The first half gives you an overview into the many different categories of Simpsons collectibles. Then the second half of the book is the highly detailed price guide, FULL of pictures! I truly recommend this book for any fan of the Simpsons!0 of 0 people found the following review helpful. NO Simpsons fan should be without this book!By MGoldieWhat can I say? This book is excellent! COLLECTING SIMPSONS! is a well-designed, humor-filled book that's a definitive guide to the mind-boggling amount of licensed merchandise inspired by "The Simpsons" TV series. It features: -- A generous page size of 8 by 11 inches. -- A detailed price guide listing typical values for more than 1,000 items. -- More than 375 black-and-white photos, as well as a dozen color ones on the heavy-duty front and back cover. A four-page Photo Index makes it easy to find them all. -- A brief history of "The Simpsons" and how it became a merchandising marvel. -- Reviews of Simpsons action figures, collector plates, books, software and other goods. -- Advice on how to get the best deals when buying Simpsons animation art. -- A step-by-step autopsy of a talking Bart Simpson doll that reveals exactly how this popular toy works. -- Photo-filled chapters exploring Simpsons bootlegs and hard-to-find promotional merchandise you won't find in retail stores.
