**Art Mattson : Colonel Foolry's Collection of Treasure Hunts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colonel Foolry's Collection of Treasure Hunts:

A Treasure Hunt is a fun team activity that combines puzzle-solving with a scavenger hunt in a race of wits, ingenuity, cleverness, and know-how. If you want to put on a unique and challenging team activity for your organization or a group of your friends and acquaintances this book will give you everything you need to organize a successful Treasure

Hunt that will be loads of fun for all. The 220 puzzles in this book include cryptograms, anagrams, math problems, logic puzzles, palindromes, wordplay, and trivia of all sorts. The puzzles can also be enjoyed when you are by yourself while relaxing in the comfort of your armchair no scavenger hunting necessary. Those who enjoy the mental gymnastics of solving brainteasers are sure to experience hours of fun matching wits with the puzzle creators.
