From Bristol Park Books : Colossal Grab A Pencil Book of Brain Boosters before purchasing it in order to gauge whether or not it would be worth my time, and all praised Colossal Grab A Pencil Book of Brain Boosters:

0 of 0 people found the following review helpful. Good puzzlers, but not reusable By M. L. Graham
The book contains brain boosters, but I found that I have to write in the book, so I can only go through it once. The themes of the puzzlers in it are also repetitive. The details vary, but the theme is common. The themes are good and challenging. Iy; the reuse issue that troubles me.
1 of 1 people found the following review helpful. First rate puzzles By Richard B. Alexander
I have purchased many puzzle books by Richard Manchester. Always challenging and fun. This was the first Brain Booster book I found. Loved the variety of puzzles.

Do you want to uncover the keys to a healthier brain? Are you ready to give your mind the ultimate and exhaustive mental workout? In his latest collection of top tier puzzles, Richard Manchester has compiled over 600 puzzles designed to keep your brain healthy and your mind young and fit!
