Audrey Grant : Commonly Used Conventions (ACBL Bridge) before purchasing it in order to gage whether or not it would be worth my time, and all praised Commonly Used Conventions (ACBL Bridge):

0 of 0 people found the following review helpful. Five StarsBy Albert L. StasiAs advertised28 of 29 people found the following review helpful. Better than expectedBy Golf BridgeAs an intermediate bridge player I decided to purchase all of Audrey Grant's bridge series. When I opened this last one and read the chapter titles I thought that it will be too basic for me. But as I read, I changed my opinion. This book brings together many concepts from bidding, play defense and goes into more depth about the various conventions (Stayman, Jacoby transfer, etc.) than is usually found in other books. I recommend it highly if you are willing to take the time to study it.1 of 1 people found the following review helpful. ... fourth book in the series bu Audry Grant and nicely folds together all bidding information from the previous booksBy Mary FosterThis is the fourth book in the series by Audry Grant and nicely folds together all

bidding information from the previous books. One needs to study the series to gain the most knowledge.

Most popular bridge conventions in use today, explained in an easy-to-understand manner.
