William S. Root : Commonsense Bidding: The Most Complete Guide to Modern Methods of Standard Bidding before purchasing it in order to gage whether or not it would be worth my time, and all praised Commonsense Bidding: The Most Complete Guide to Modern Methods of Standard Bidding:

0 of 0 people found the following review helpful. Excellent By C. N. Wong Very clear and well organized! As a

beginner I am very glad to have found this wonderful book to learn about bidding. 0 of 0 people found the following review helpful. A must for those learning to play bridge. By D. Mack One of the best books I have read on bidding in bridge. I bought enough copies so that each member of my bridge group could have one. 0 of 0 people found the following review helpful. great Inspiration. By Deede I haven't played bridge in years and having recently retired, I wanted to get back in the game. This book, although a little slow at the beginning, it is an invaluable resource to learn about the updated conventions and bidding. It is clear, and even a beginner can follow the instructions. I recommend this book to anyone wishing to up their bridge skills.

The most complete guide to the modern methods of standard bidding for bridge, from one of America's leading players, teachers, and authorities. With a logical, easy-to-follow style, William Root covers all the bidding essentials.
