By A Customer A must have for any serious Beatles fan. Unlike many other Beatles quiz books, this book offers the usual easy questions that every hardcore fan knows, but it also offers up so really tough ones (and they are not stupid questions like what color was John's coat in the third scene of the Magical Mystery Tour TV show, but are more music oriented). Truly a fun and informative Beatles book. The original 1975 and 1985 Bell Publishing First Edition's has become quite sought after by Beatles memorabilia collectors, listing for up to \$[money] (scaled evaluation on condition) on various antiquarian book dealer sites and catalogues.
